# Richpeace Computerized Wiring Stitching Machine for Home Textile

RPCE-WS-06-800X1000-B-LS

### Recommended Models:

RPCE-WS-01-800x1000-B

RPCE-WS-02-800X1000-B

RPCE-WS-04-800X1000-B

RPCE-WS-06-800X1000-B

## APPLICATIONS

Electric blanket, heating carpet,  
floor mats, cushions Mattress  
and heating quilt, etc.

# Introduction about Richpeace Computerized Wiring Stitching Machine for Home Textile

## Machine Parameter

<b>Speed</b>	800r /min
<b>Number of head</b>	1-6 heads
<b>Wire placement area</b>	800X1000mm (can be customized)
<b>Stitch length</b>	0.5-12.7mm
<b>Wire placement stitch</b>	Diameter 0.1-3mm
<b>Operation panel</b>	10.4 inch LCD touch screen
<b>Input and output</b>	USB
<b>Air-pressure supply</b>	0.6mpa
<b>Power</b>	5.0KW(slightly different as per different configurations)
<b>Table height</b>	850mm (can be customized)
<b>Trimming length</b>	10-15mm
<b>Power supply</b>	Single phase 220V/50Hz 3-phase 220V/50Hz 3-phase 380V/50Hz Special voltage can be customized.

## Standard Configurations

### Automatic device for feeding wire

Real-time adjustment according to the demand for wiring, namely, to satisfy requirement of wiring and avoid wire material surplus

### ► Standard frame

► Main shaft, M shaft and X/Y driven by servo motor

### ► Koban jumbo rotary hook, double size

► Jumbo bobbin

► Automatic thread breakage alarm

## Optional

### Automatic resistance wire trimming device, for upper thread and resistance wire

Patented design, automatic trimming, precise, alarm and machine stop function when scissors fail to reset

### Upper thread holding device

To prevent upper thread from running away the pinhole of the non-working heads, to reduce threading time

### Automatic refueling device

Automatic lubrication of hook shaft and rotary hook, thread breakage reduction, lower maintenance frequency, time-saving and improving productivity.

► Automatic bobbin change device

► Laser cutting device
